

Your visit to Wieland-Werke AG

Safety rules for visitors

Welcome to Wieland-Werke AG. Your personal safety is of utmost importance to us. Please observe the following safety rules and share them with all participants.

Registration – Entry

Register at the gate with your identity card or passport. Wear the issued visitor's pass visibly on your body.

On the factory premises

A visit of the production area is only permitted with long-sleeved clothing. Short trousers and skirts are also not permitted.

For your own safety, it is obligatory to wear safety shoes, safety glasses, high-visibility vest and ear protection in the production areas.

We provide you with this personal protective equipment.

If available, please bring your own safety shoes.

Do not enter the production area without your Wieland guide. Follow his or her safety instructions.

Please always stay with the group.

Use the pedestrian doors. Do not, under any circumstances, go through any open overhead doorways.

Watch out for any forklift or crane activities on the premises.

Do not remain under suspended loads.

Do not touch any materials or machines. Their surfaces could be hot or sharp-edged.

Smoking is prohibited while touring the production area.

Taking pictures or video and sound recordings are strictly prohibited in the entire factory area.

Mobile phone use is only allowed outside the factory buildings and with permission of the Wieland guides.

Scrap metal containers are not trash bins.

Drinking alcohol and using other intoxicants is prohibited. The premises may not be entered under the influence of alcohol or intoxicants.

Access areas and areas with a higher risk potential are partially covered by video surveillance.

Entry

The maximum speed limit on the premises is 20 km/h.

Rail traffic has priority!

It is mandatory to use headlights on all vehicles.

Parking as well as loading and unloading are only permitted in designated areas.

Patrols are carried out from time to time.
